/ _____
Approval Date

- To **prepare** for discussions with the Zoning Administrator, you will need to determine where your primary building is and where the proposed building/structure will be. Be ready to show:
 - Distance between buildings/structures
 - Distance to lot lines.

**To apply for a Wind Point Zoning (Land Use) Permit, contact:
Jon Schattner, Zoning Administrator (262) 902-2782**

The Zoning Administrator must see how your proposed structure is related to property lines and to the primary structure as shown on a plat of survey.

Architectural Review Board approval may also be required as part of the zoning permit approval process.

**To apply for a Wind Point Building Permit, contact:
Lee Greivell, Building Inspector (262) 424-6957**

The Building Inspector will assure that your building/structure meets Wisconsin Building Code requirements and that your property is safe and secure.
