Garbage collection is every Monday.

= Recycling collection is every other Monday

= Holidays (collection is delayed one day)

= Branch Collection

= Yard Waste Collection

Once per month you may schedule a bulk or electronics collection. Call Johns Disposal at (262) 473-4700 to schedule a pick up. Turn over for additional information about collections.

Yard Waste Collection

John's Disposal collects yard waste from residents on Monday's April to November on the same day as recycling collection. Residents are no longer required to purchase and attach yard waste stickers to compostable bags to be picked up. Yard waste may use compostable bags, or reusable garbage cans. The cans must be labeled "yard waste" and be less than 32-gallons. When full of yard waste, the container cannot weigh more than 50 lbs.

Collectable materials include leaves, grass, garden waste, twigs, sticks and weeds. Soil will not be collected, so root balls from plants must be removed. Garlic Mustard should not be included with yard waste as the seeds can survive composting. It needs to be placed in a bag, labeled, and thrown into the garbage.

Branch Collection

Wind Point Public Works collects branches from residents for disposal on the second Tuesday of each month, from April to November. Branch collection is for tree maintenance (trimming branches) NOT tree removal. Property owners who have landscapers or other individuals cut down trees on their property are responsible for branch disposal. Branches should not exceed 4 inches in diameter. Branches should be kept at their original length and not cut into smaller pieces.

Branches should be placed by the road in small, reasonably uniform piles. Piles should not exceed 4 feet in height and 4 feet in width. Pile branches with the cut end toward the road, all in the same direction (see picture at the right). Branch piles should be set out near the edge of the road away from mailboxes or other obstructions. Piles should be set out no earlier than the Saturday before collection day (72 hours). Stumps, vines, root balls, roots, rocks, brush, rubbish, construction material or metal will not be collected.

Example of Accepted Branches:

Example of Not Accepted Branches:

Bulk Item and Electronics Collection

Residents are required to call to schedule bulky items collections. Any items that do not fit into either a garbage or recycling cart must be called or emailed into John's Disposal to schedule a pick up. Bulk item collections are scheduled regularly throughout the month. Up to one bulk item may be scheduled per month, with a total of twelve per year. Residents may substitute any two of their twelve bulk item collections to have one qualified electronic item collected.

To schedule a collection contact Johns Disposal at 262-473-4700 or office@johnsdisposal.com. John's office hours are Monday though Friday: 8:00 a.m. to 4:30 p.m. and Saturday: 8:00 a.m. to noon.
